

SET UP
INSTRUCTION
SOFT IMAGE

1

Take out the system from the bag and expand.

2

Lock all the lockers. Start at the outer edges and move towards the center.

3

If possible, lay the system on the floor with the image side face for easier locking of the lockers at the outer edges.

4

READY!

ACCESSORIES

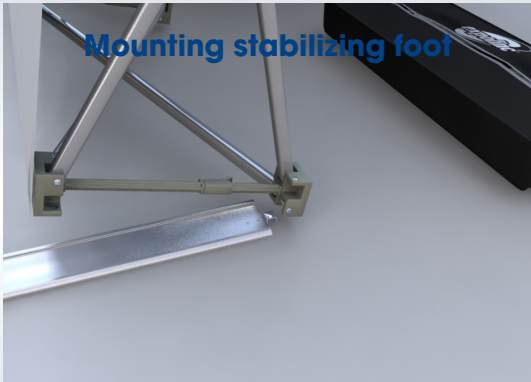

Soft Image can also be complemented with one or more grey 120 W halogen lamps, which cast light evenly over the entire image. The back of the bag has a pocket for the stabilizing feet.

Opportunities on display

Mounting stabilizing foot

By tilting the system slightly backward the hook on the stabilizing foot is hooked over the screw in the hub. Then adjust the feet so that the front hub slides into the groove of the stabilizing feet.

Attach lighting

By tilting up the lights the hook on the spotlight fastener goes under the screw in the hub.
Place the lamp so that it rests against the hub.
